## Join AppLearn at HR Tech San Francisco

The market leading software adoption platform returns to HR Tech

San Francisco, CA – 13h June 2017: AppLearn is delighted to be part of HR Tech San Francisco as a sponsor. Still thriving from all the innovative minds engaged with at HR Tech London in March, AppLearn can't wait to discuss more opportunities at HR Tech San Francisco.

It's an exciting time in HR, with new and exciting SaaS technologies disrupting the industry across the world. The HR technology landscape is changing more rapidly than ever. As HR leaders look to upgrade and replace existing HR systems.

But with changes and upgrades, comes adoption challenges. Some users are natural adopters and will take to a system with ease, but most users will need further guidance and support.

**ADOPT**, by AppLearn, fulfils the need for on-demand support at ease. A multi-app software platform, designed to help users on demand one-to-one.

**ADOPT** makes business software simple, straight-forward and smarter. With a suite of in-app and out of app modules that deliver and guide a user's journey through any SaaS application. Including Workday, Success Factors and Cornerstone HR.

**ADOPT**'s one of a kind modules help users engage with and use software in an innovative, transformative way. Making working and learning a collaborative process. Built with simplicity in mind, tools like Split Screen provide on demand training and

support directly in-app. Smart Pages provide just in time communication to inform users of best practices, changes to process or functionality.

**ADOPT**'s Advanced Analytics can be used to track content and training consumption with system usage data and support ticket data to analyse and act on gaps. Optimising the usage of a software investment.

These modules, and more, form part of the innovative and disruptive **ADOPT** platform. Join AppLearn at stand 515 and discover why so many businesses have implemented our **ADOPT** platform as part of their digital HR project.
